Re: Oxsoralen-Ultra[®] 10mg Capsules LIMITED AVAILABILITY

Dear Healthcare Professional,

This letter is being sent to inform you that **Oxsoralen-Ultra (Methoxsalen Capsules, USP, 10mg) is now available again in the United States on a limited supply basis.**

Valeant recognizes the importance of this drug to you and your patients and has been working diligently in partnership with the FDA to address the drug shortage.

Oxsoralen-Ultra (Methoxsalen Capsules, USP, 10mg) can be obtained for your patients by request through pharmacies. Please instruct the pharmacy to work with their wholesalers to arrange for shipment.

We apologize for the hardship that this shortage may have caused you and your patients and will continue to provide updates as we restore full supply of the Oxsoralen family of products.

If you have any questions or concerns about product availability, please contact our Customer Care group at 1-800-556-1937.

Sincerely,

A handwritten signature in black ink that reads "Janet MJ Hammond".
